Note: This advertisement is not a request for a bid or a proposal. Qualification submittals for the A/E Reference file will be accepted year round.

Qualification submittals entered into the reference file may be purged automatically after two years if no revisions, updates, or similar activities have occurred by the consultant on its original submittal contents. It is the responsibility of individual firms to keep file information current.

Public works projects with a basic consultant fee of over \$200,000 will be individually evaluated and require a separate submittal. Request for Qualifications for such projects with fees in excess of \$200,000 will, at a minimum, be mailed to all consultants of the appropriate discipline who are on the A/E Consultant Reference File, but may be separately advertised.

Consultants for public works projects with a basic consultant fee of less than or equal to \$200,000 will be selected from the A/E Consultant Reference File per Puyallup School District Operations Department, Administrative Procedure 01.02.98¹. Selections will be made based on the following criteria: Qualifications 100%, Relevant Experience 100%, Previous Performance 100%, Uncommitted Staff 50%, and Geographic Proximity 50%.

¹ Procedure 01.02.98 is available upon request.
